

MATTEO BRUNO BELLESIA

FILM DIRECTOR · MILAN / WORLDWIDE

Crafting appetite, beauty and visual surprise. Real craft, expanded by technology.

PROFILE

CINEMATIC CRAFT, BUILT FOR BRANDS.

Matteo Bruno Bellesia is a Milan-based commercial director and photographer specialising in food, beauty and tabletop, alongside live action and music videos.

His work combines cinematic storytelling with close attention to texture, light and movement - from the smallest product detail to the energy of a performance.

Alongside camera-based production, he develops hybrid projects bringing together live action, CGI and generative AI, choosing each technique in service of the idea.
